Supervisors Support Youth Sports, Music Camp

SAN BERNARDINO - The Board of Supervisors on Tuesday unanimously agreed to use priority policy needs funding from the Second and Fifth Supervisorial Districts to help pay for a free youth sports camp held at A.B. Miller High School in Fontana.

The Black Sports Agents Association Sports Camp on Sept. 9 drew about 500 local school children to the high school where they tossed footballs and basketballs with college athletes and coaches and learned about the importance of staying fit.

"We need to teach children the value of eating right and exercising now so they can carry those good habits into adulthood," Second District Supervisor Paul Biane said. "The Black Sports Agents Association Sports Camp does that by bringing positive role models to interact with our youth and to talk to them about how to stay healthy."

Biane and Fifth District Supervisor Josie Gonzales requested \$900 from each of their priority policy needs budgets to help pay for the sports camp after organizers requested the assistance.

“From time to time, community groups need a little help to put on great events like the youth sports camp, and it’s our privilege to provide support,” Biane said.
